ABOUT OUR CBO

Bamburi/Kanamai Cluster is an amalgamation of 20 churches working together for holistic development of children in Mombasa and Kilifi County. The cluster is currently assisting 5,691 poor children in the areas of spiritual, physical, socio-emotional and cognitive development. The organization was started in the year 2012 and legally registered under social services/society. Its establishment was due to the following setbacks and gaps experienced in the society

Its establishment was due to the following setbacks and gaps experienced in the society:

- 1.Financial constraints amongst the families registered under church programs.
- 2.The growing number of children joining institutions making it hard for the Churches to fully fund.
- 3.Increased school drop outs due to inability to pay school fees.
- 4.Negativity towards formal education.

CHAIRMAN MESSAGE

Chairman

Dear friends and supporters,

As the chairman of the board of Bamburi Kanamai Community Based Organization, I am proud to share with you the impact that your contributions have made towards funding the education of children in our community.

Thanks to your generous support, we have been able to provide educational opportunities to many children who would otherwise have been unable to afford schooling. With your help, we have provided school fees, books, uniforms, and other necessary supplies to ensure that these children receive a quality education.

I want to personally thank each and every one of you who has contributed to our cause. Your support means everything to us, and we are committed to ensuring that your donations are used effectively and efficiently to make a real difference in the lives of our children.

Please continue to support our efforts in any way you can, and let us work together to build a better future for our community.

ACCOMPLISHMENTS

Bamburi Kanamai

Our Accomplishments

- Approximately 1,500 children have benefited from the project by receiving 70% of their semester/term fees.
- We have managed to maintain many students in schools hence, school dropout has significantly reduced with 30% especially in Kilifi County.
- From the benefitting team, we are proud to have a good number of graduates from universities and college.
- The project has transformed the negative attitude towards Education in the community into a positive perspective, thus many parents have embraced learning.
